Subject: Mixed Martial Arts

Dear Mr. Shestakov,

I refer to Mr. Emelianenko's letter of 16 October 2012 in which he announced that the newly formed World Mixed Martial Arts Association joined FIAS as associated member.

I kindly remind you that FILA has been governing Mixed Martial Arts since 2008, date of its official ratification by our Congress.

I thank you for confirming Mr. Emilianenko's letter to me, as well as informing me of your intention – or not – to keep on developing a sport that is already being governed by FILA.

I would be most grateful if you could send me your official position before the end of the year. Please be informed that FILA will not hesitate to bring the case in front of the Court for Arbitration for Sport in case FIAS decides to pursue in its endeavours.

Yours sincerely,

Raphaël Martineau
FILA President
